

Suo-Motu Petition No. 1564/2016

In the matter of: Extension of applicability of generic tariff Order No. 2 of 2012 dated 08.08.2012 in the matter of “Determination of Tariff for Procurement of Power by the Distribution Licensees and Others from Wind Power Projects” till issuance of the generic tariff order for next control period by the Commission.

The Commission has passed order No. 2 of 2012 dated 8.08.2012 and order dated 7.01.2013 in Petition No. 1243/2012 & 1249/2012 and decided the tariff of wind energy generators for supply of the electricity to the distribution licensee and the associated commercial issues. The control period of the said order is from 11.08.2012 to 31.03.2016.

Since the control period of the above tariff order No. 2 of 2012 is expiring on 31.03.2016, the Commission has initiated process of determining the tariff for the new control period. However, considering the time required in following the process for determination of tariff as provided under the Electricity Act, 2003, it is apprehended that the entire process may not get completed before 31.03.2016. The Commission, therefore, has proposed to extend the period of applicability of the generic tariff order dated 8.08.2012, for wind energy generation with order dated 7.01.2013 in Petition No. 1243/2012 and 1249/2012 alongwith related terms and conditions till the issuance of next tariff order.

The stakeholders/objectors are therefore hereby informed to offer their suggestions/objections in the matter on or before 10.04.2016 and attend the public hearing on 19.04.2016 at 11:30 AM at the Commission’s office.
