Amendment to Order No. 4 of 2010 dated 31.05.2010 in the matter of “Determination of tariff for Procurement of Power by Distribution Licensees from Bagasse based Co-generation Power Plants and Other Commercial Issues”.

1. The Commission has issued its order No. 4 of 2010 dated 31.05.2010 in the matter of “Determination of tariff for Procurement of Power by Distribution Licensees from Bagasse based Co-generation Power Plants and Other Commercial Issues”.
2. *In para 2.2 of the order No. 5 of 2010, it is provided that:*

“2.2 Control period

The Commission had, vide its Order No.1 of 2007 dated 3rd January, 2007, determined the Bagasse based power generation Tariff for a period of three years, i.e. upto 2nd January,2010.

The discussion paper for the present order was published on 06.2.2010 and it was proposed to be effective from date of this order.

Suggestion of the Stakeholders

Gujarat Energy Transmission Corporation Limited have suggested that Control period should coincide with the MYT control period.

Commission's Decision

The Commission finds no justification for linking the tariff for renewable sources of energy with the MYT control period. The current MYT period will continue only till March 2011. Moreover, the control period of previous order on tariff for Bagasse based co-generation power plants was up to 2nd January, 2010, which could be made applicable till the issuance of the present order. Hence, based on the discussion paper, the Commission decides that the control period for this order will be for a period of three years from 1st June, 2010 to 31st May, 2013."

3. The Commission has already initiated the process of determination of tariff for the next control period, and as an interim arrangement, the Commission has decided to extend the control period of the Order No. 4 of 2010 dated 31.05.2010 up to 31.07.2013.
4. In view of the above, the Commission decides that the control period of the order No.4 of 2010 dated 31.05.2010 shall be from 1.06.2010 to 31.07.2013.
